

Dear Valued Backer,
Congratulations!

Your Wyrnwood Modular Gaming Table is here
and soon you'll be making memories around it with friends and loved ones.
As you assemble your table with these instructions, we hope that you take pride in
not just owning your Modular Gaming Table, but in the fact that the table exists
because of your direct support as a project backer.

Thank you from all of us at Wyrnwood.

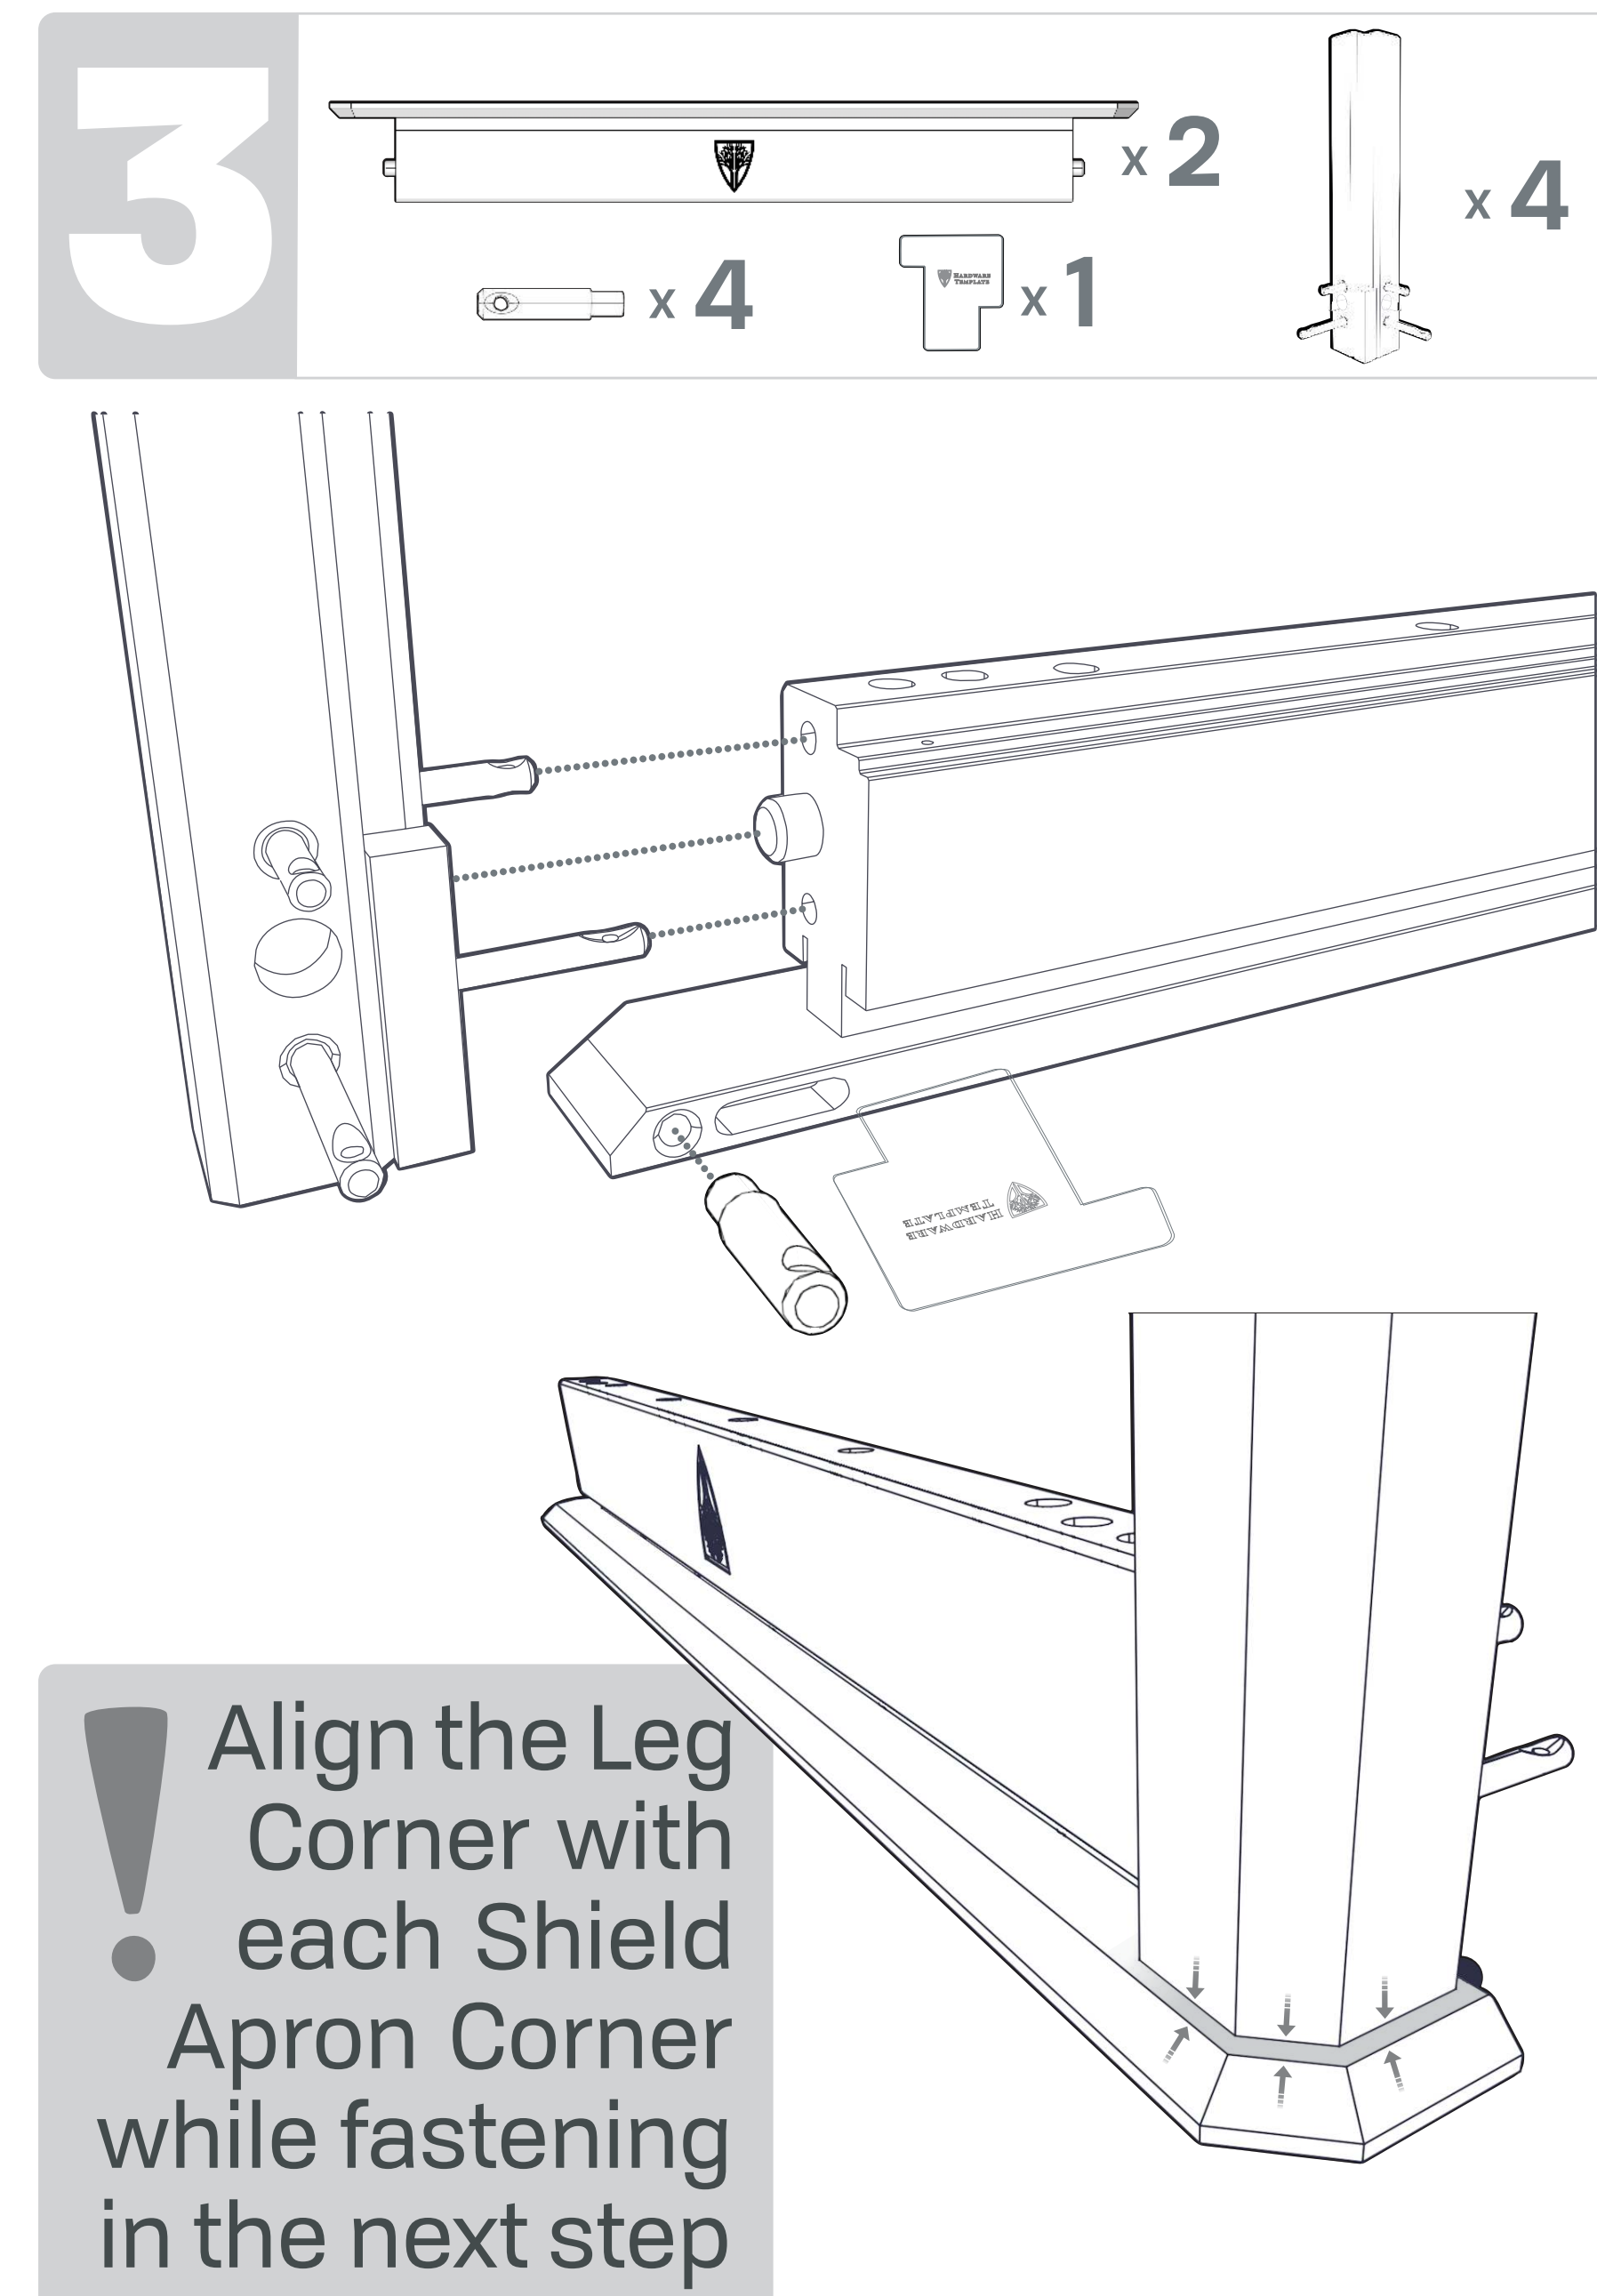

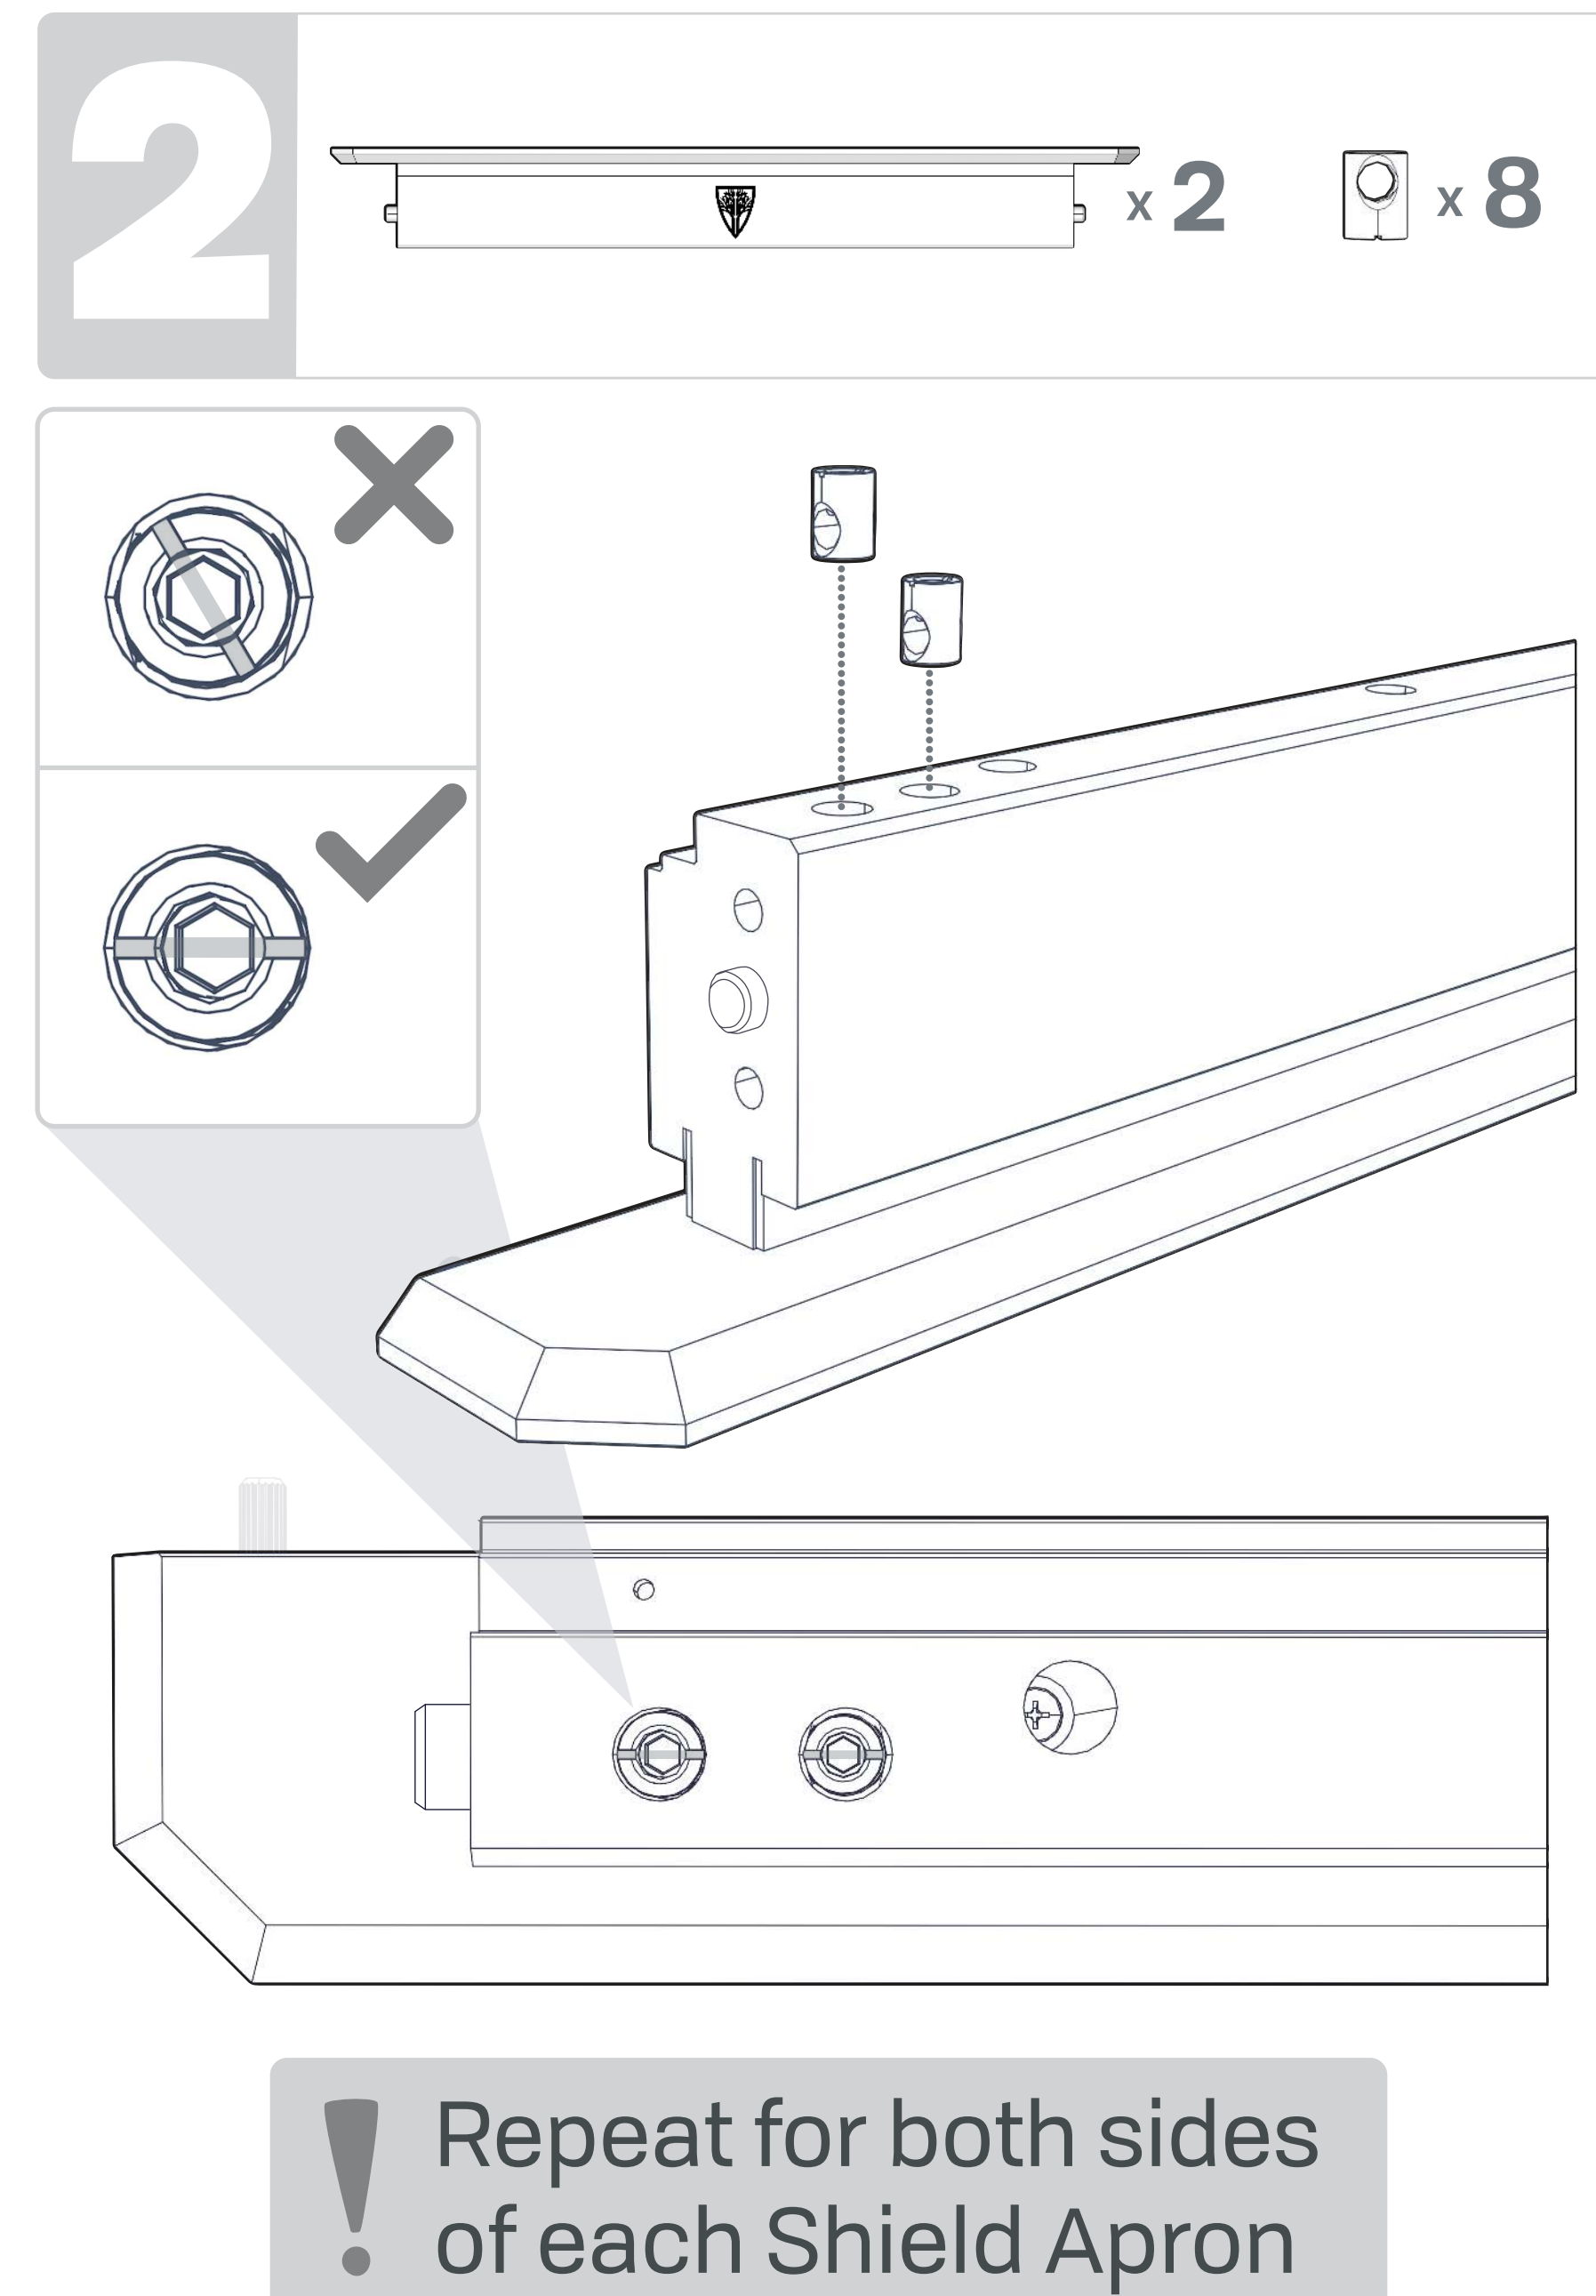

Jason MacDonald

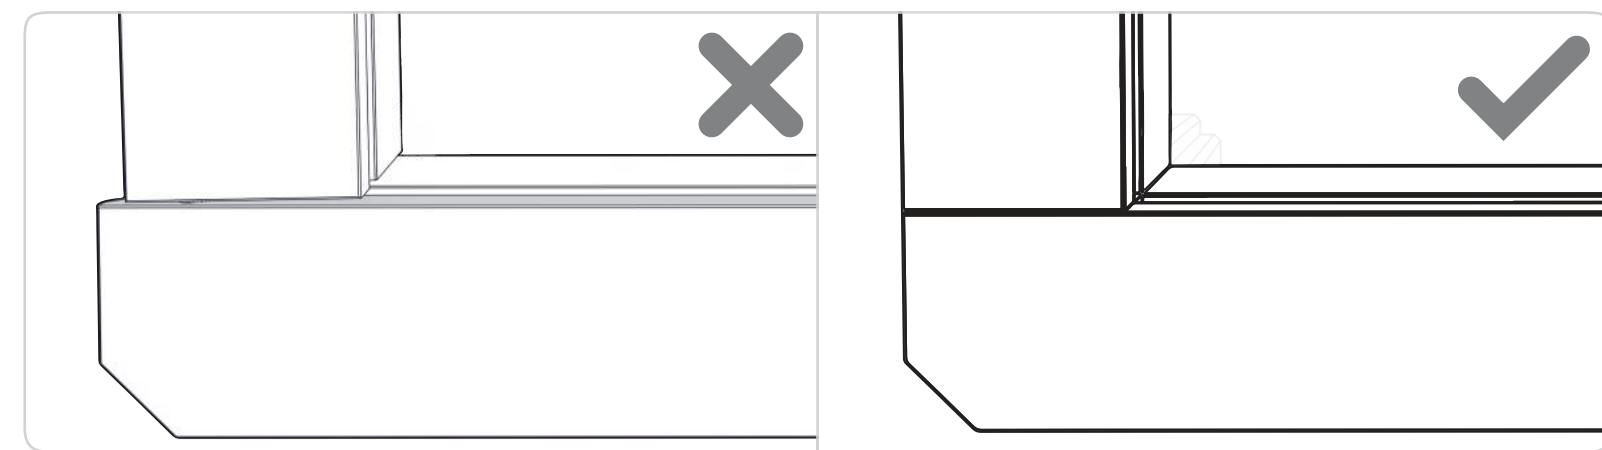

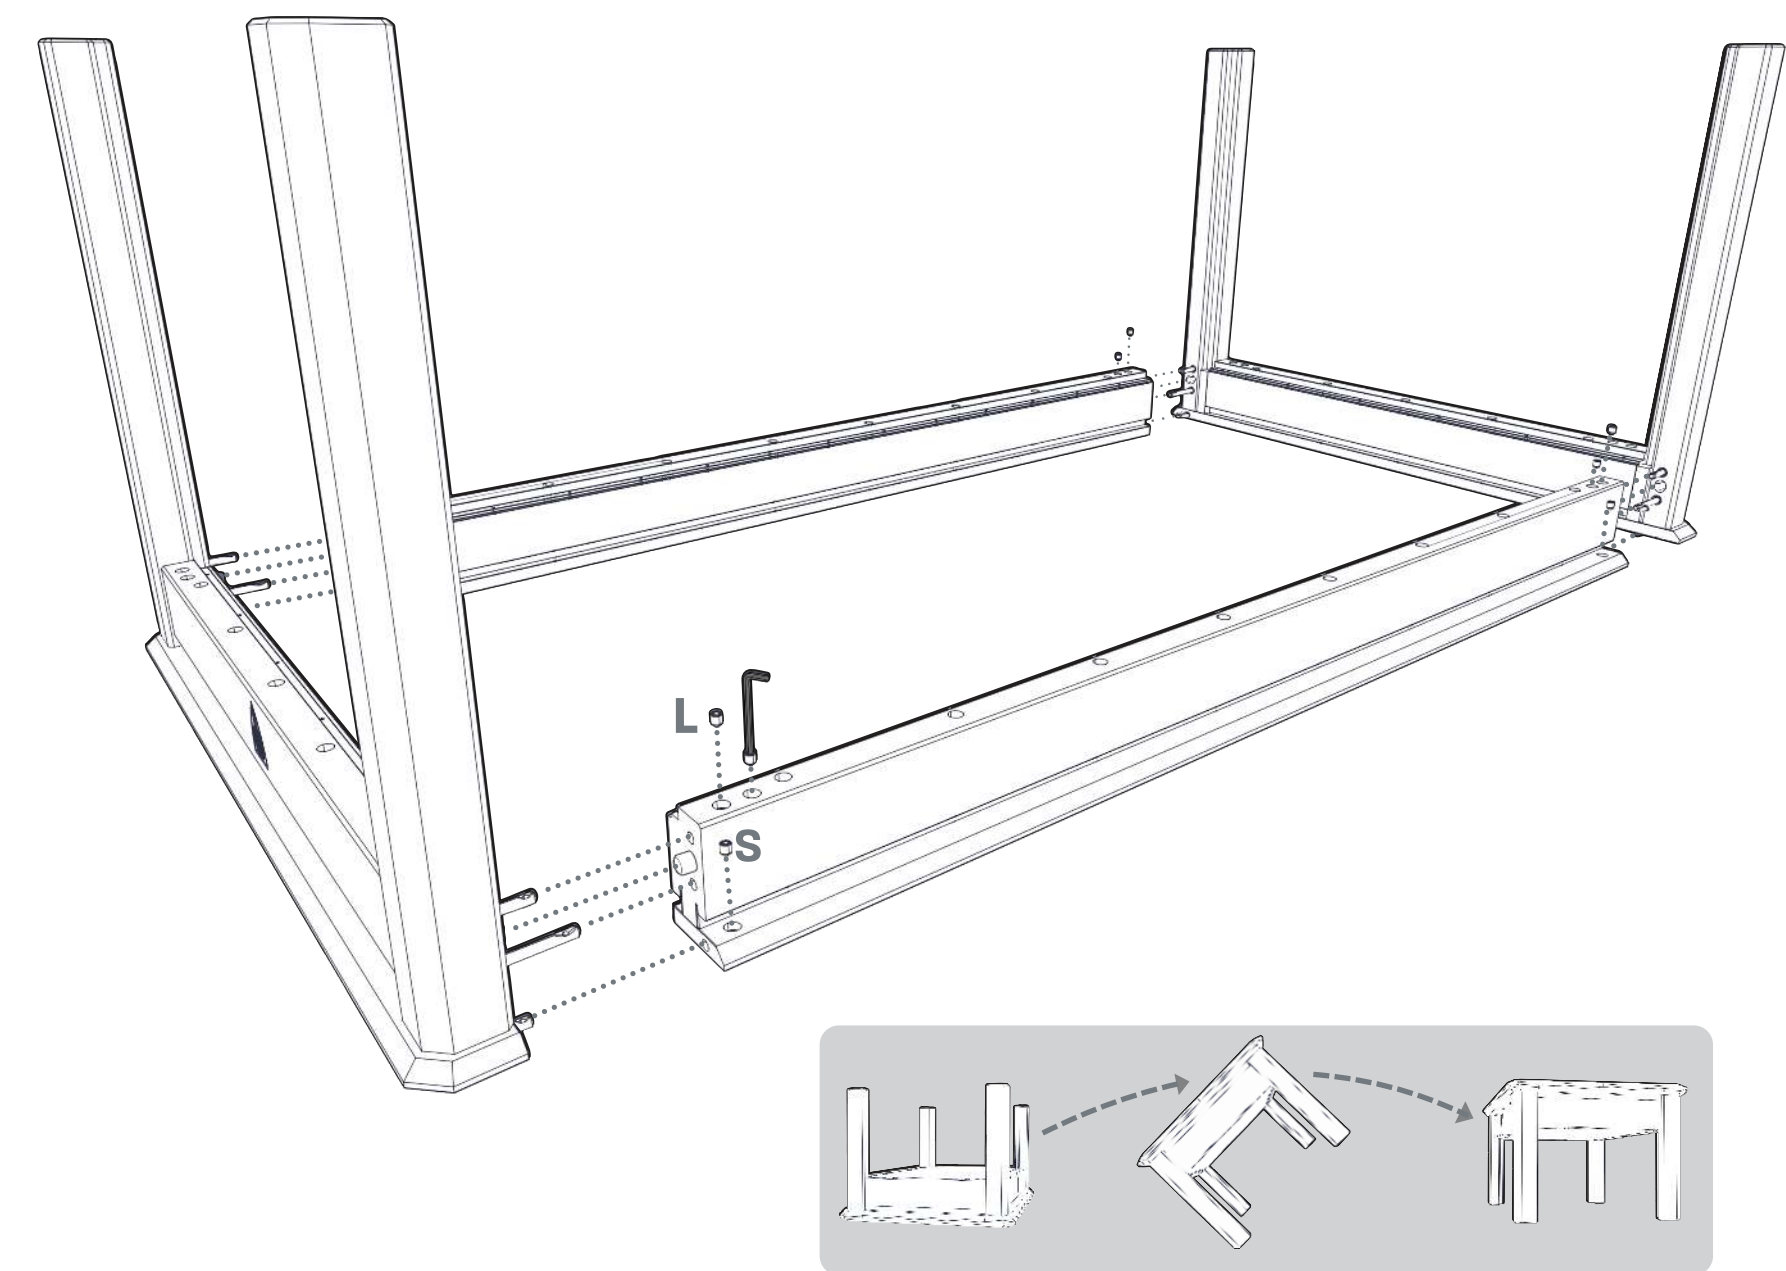

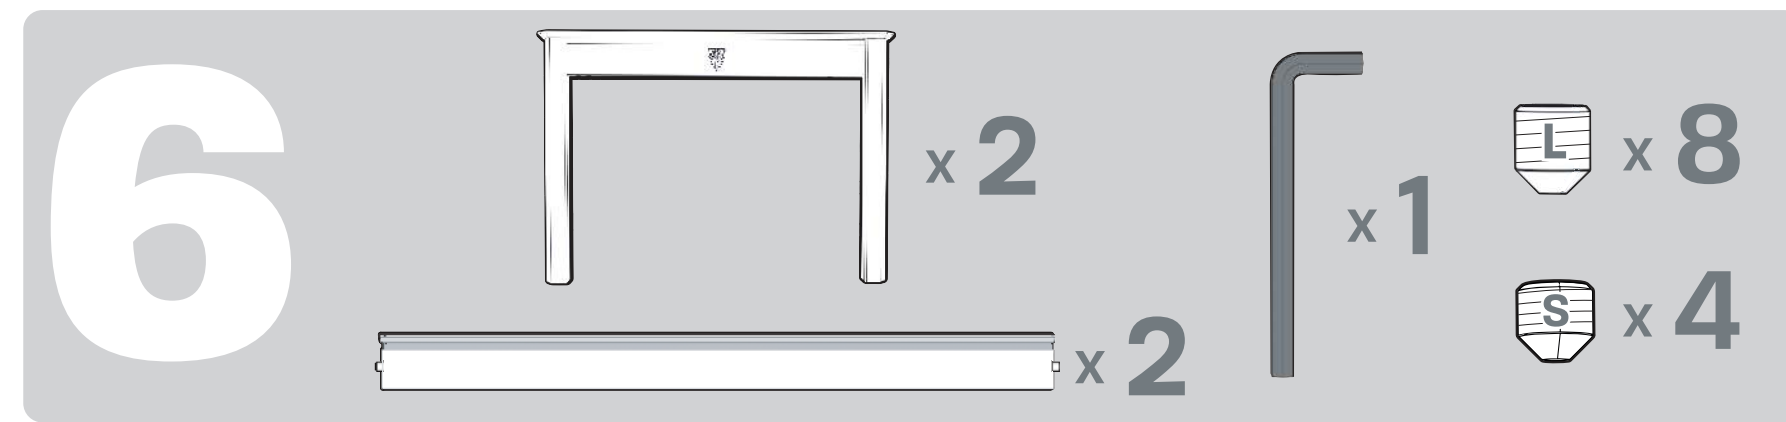

Doug Costello

Ed Maranville
